

Car Seat Safety

Find out if your child is safely snapped in

Did you know that 4 out of 5 car seats are used incorrectly?

Attend one of our free fitting stations and learn how to install your seat correctly.

Bring your child, car seat, and vehicle. If possible, bring both the vehicle and car seat owner's manuals.

Car Seat Distribution Program

Ardent Solutions' Child Passenger Safety Program is pleased to assist low income families and caregivers with access to the correct seat for every child at every age. Car seats may be available to parents and legal guardians of children from birth until the child is ready to ride safely without a seat. Some eligibility requirements. To find out if you qualify, call 585-593-5223 x 1014 or x1017.
