Westfield Fish 2018

July Winner—Jonelle Ohrn

Our Fish project was by all accounts a success, bringing people from far and wide to come and explore our community. Thank you to all that participated. It was great fun.

After the new year begins we will be back in the work shop cutting the shape of a wine bottle to celebrate our wine industry.

If you would like to reserve a cut out for the coming project please contact Sue via phone or email. Cost is \$20 each
 More info will be available on facebook: [WestfieldFish2018](https://www.facebook.com/WestfieldFish2018)

Christmas in the Village A Dickens Holiday

November 16, 17, & 18

This event began many years ago as a way to showcase our businesses in one place to kick off the holiday shopping season. It has evolved over the years to include the arrival of Santa and the lighting of the Christmas tree in the park and much more. This years celebration has been expanded to include a lighted parade, a Hot Toddy Crawl, merchants punch card, and activities by many various entities around town.

Businesses within the DBA have been requested to expand hours, run specials, serve a "toddy" and decorate their store front windows for the annual decorating competition. Many ,many people have worked hard to bring this event to fruition. It is hoped that our community and the surrounding areas will come out to see what we have to offer. Word has spread and we expect a great turn out.

This event , with your involvement, should continue to grow each year.

First Fridays

Another event that has been in place in Westfield for years, the popularity of this event is Growing. This year we had a private donor that supplied the petting farm for children and families. This was a big hit and we would like to repeat it next year along with more family type of experiences. This takes sponsors and volunteers.

If you would like to sponsor an activity or volunteer please contact Sue.

It has been suggested that we have a First Friday event every month, thoughts?
