

# VILLAGE OF WESTFIELD

## LEAF PICKUP SCHEDULE

Leaf pickup in the Village of Westfield begins on Monday, 10/26/20, in **Area 1** and will proceed as follows: Tuesday, 10/27 - **Area 2**; Wednesday, 10/28- **Area 3**; Thursday, 10/29 - **Area 4** and Friday, 10/30 - **Area 5**. And will continue as follows until 11/25/2020 or until snow obstructs the pickup.

Pick up begins at 7:00 AM. If an area is not completed that day, it will be completed the following pick up day before moving to the next area. Return trips will not be made until all areas of the Village have been completed. The first 2 weeks of the schedule are followed very close, until the weather, amount of leaves to be picked up increases and mechanical breakdown start to occur, which will then force delays in the schedule.

Residents are asked to rake leaves to the curb line, **but not in the gutters**. As the suction machine requires clearance, care should be taken in not placing leaves under low hanging limbs or power lines. **TREE LIMBS AND OTHER DEBRIS SHOULD NOT** be placed in the leaves. Such action will cause the leaves to be left and a return trip will not be made.

**Anyone wishing Mulched Leaves should call 326-3477.**
