

Note: SWIMMING POOL FILLING POLICY

- Please note that all pool fillings require advance notice using a request form.
- Water meter **must** be read before and after pool filling.
- \$4.70/1,000 gallons is the current rate for water used for swimming pool filling.
- Labor charge is also applicable.

Complete Swimming Pool Filling Policy and request form can be found on our website villageofwestfield.org

Bourne Street Yard Waste Site**

The Bourne St Yard Waste site is located at the DPW Facility, 51 Bourne St. Hours of operation are Monday – Saturday 7:00 AM -6:00 PM May - October. It is open to the Village of Westfield Residents with a \$10.00 permit. Permits may be obtained at Village of Westfield office, Eason Hall at 23 Elm St.

The permit allows the holder to dump yard waste items such as leaves, sticks, brush, garden waste, flowers, etc.

- **No Contractors**
- **No Animal waste**
- **No Household garbage or demolition material (wood)**

** Please note that security camera's have been installed to monitor the site. Violators will be arrested and prosecuted for Illegal Dumping

Please remove all bags and containers after dumping. This site is self monitored and policed by the residents that use the facility. Excessive abuse and repeat complaints will force the site to be closed.

Wood mulch and wood chip piles are free for the taking at the site. Truck load deliveries may be scheduled for a fee. Call the Village of Westfield Office at 326-4961, for further information, office hours are 8:00 AM – 4:30 PM.

Topsoil, gravel or milling piles are **NOT** free. These piles are used by the PWD for restoration work. Anyone taking these items will be arrested and prosecuted.

Any questions, please call PWD at 326-3477

Edward LeBarron, Public Works Department Superintendent
